## OFFICE OF LEGISLATIVE COUNSEL

Friday - 24 November 1978

STAT	1. LIAISON Talked with Casimir Yost, Legislative Assistant to Senator Charles Mathias, and discussed arrangements for Monday's briefing of the Senator on the U.S.S.R. Yost gave me a few areas of specific interest to the Senator which he would like to discuss during the briefing. This was passed to NIO/USSR/NFAC. STA
STAT	LIAISON Called Walt Sheridan, on the staff of the Subcommittee on Health and Scientific Research, Senate Committee on Human Resources, and asked whether the Subcommittee had a copy of the diary of former U.S. Government official who was involved in drug testing activities in San Francisco. I explained that the Agency was attempting to contact subjects of this research pursuant to a recommendation of the Subcommittee. Sheridan informed me that the Subcommittee did not have a copy of the diary but it was located at Foothill Community College in the
	San Francisco area.  Deputy Legislative Counsel
